

FINAL EXAMINATION SCHEDULE FOR FALL 2020

Final exams will be held online/remotely for this semester. Examinations in courses must be scheduled according to the class sequence. The instructor should announce the time and format for the examinations. Final examinations in one-credit courses are to be given during the last regular class period. Night class final exams are given at 7-9:00 p.m. during the final examination week on the same day as the first class meeting day (e.g., a Tuesday/Thursday course would have their final examination on the Tuesday of finals week).

ASYNCHRONOUS FINALS

Courses that are being offered online asynchronously will use the following two dates for final deadlines.

Courses that END in an even number will have a finals due date of December 4

Courses that END in an odd number will have a finals due date of December 8
