

FINAL EXAMINATION SCHEDULE FOR SPRING 2021

Regular classrooms will be used for the examinations unless instructors make special arrangements through the Academic and Enrollment Service Office. Examinations in courses must be scheduled according to the class sequence. The instructor should announce the time and room for the examinations. Instructors will announce to their classes, rooms to be used for all classes having common final examinations. Final examinations in one-credit courses are to be given during the last regular class period. Night class final exams are given at 7-9:00 p.m. during the final examination week on the same day as the first class meeting day (e.g., a Tuesday/Thursday course would have their final examination on the Tuesday of finals week).

Courses that are being offered online asynchronously will use the following two dates for final deadlines.
